COCINA ARGENTINA  

*“Argentine Cuisine is changing.*

*During the last few years, there has been a great gastronomic movement of fusion of techniques, products, and flavors that are used around the world, especially in South America, the Mediterranean, and Asia.*

*For this reason, Casa Malevo is also changing.*

*In our new menu, you will find traditional Argentine dishes, prepared differently.*

*We have incorporated locally produced ingredients and several vegan options.*

*We hope you like it.”*
